

# MINOT PARK DISTRICT

## COVID-19 SAFETY TIPS FOR INDOOR TENNIS

Minot Park District's Cameron Tennis Center is ready for play but below is a list of safety tips concerning the COVID-19 Virus and keeping everyone safe & healthy as we enjoy the Cameron Indoor Tennis Center at this time.

- Do not play if you don't feel well
- Play with family members
- Play singles...not doubles
- Always allow for safe physical distancing of a MINIMUM 6 FEET at all times
- When playing games – do not change ends after each game
- Do not share or borrow racquets
- Do not share tennis balls and do not pick up tennis balls from another court. Use new tennis balls
- Wash your hands before and after your tennis session
- Bring your own hand sanitizer and wipe down your racquet and your water bottle with sanitizing wipes
- Do NOT congregate in groups before or after your tennis play
- Consider choosing a tennis court that is away from other players on a different court
- At the end of your session do NOT shake hands or high-fives. A fun tennis racquet wave would be sufficient

Minot Park District wants you to enjoy our beautiful tennis facilities and parks and at the same time practice physical distancing for your enjoyment and physical fitness that our outdoor parks provide.
